

CMG-CMC 2012-Graphic

CMG Demonstrates MAD Solutions at CMC!

Color Is Perception... but Color Management is Science! Come see the MAD scientists of color at the Color Management Group booth and broaden YOUR perception! We'll be unveiling a KILLER new photo solution you won't want to miss, feast your eyes on the AMAZING new soft-proofing system from K-Flow, be DUMBFOUNDED by the power and depth of Tucanna T-Flow PDF preflight-workflow software, see how Roland VersaUV printers will REVOLUTIONIZE the package prototyping process, be BEWILDERED at the enterprise level process control power of MeasureColor - ALL in one place... CMG at CMC!
